

## Europass Curriculum Vitae

### Personal information

**First name(s) / Surname(s)** **Giovanni Bussolati**  
**Address(es)** Strada Penes Curcanul 14, Sect. 3, Bucarest, Romania  
**Telephone(s)** 040213192734 **Mobile:** +39-3396813270  
**Fax(es)**  
**E-mail** gianni.bussolati@unito.it  
**Nationality** Italian  
**Date of birth** January 31st, 1938  
**Gender** male

### Desired employment / Occupational field

#### Work experience

**Dates** Assistant Professor of Pathology University of Torino (1964-1972)  
**Dates** Vice Chairman Institute of Pathological Anatomy, University of Torino (1972-80)  
**Dates** Professor of Normal and Pathological Histochemistry (1971-80) and of Pathological Anatomy and Histology (1975-80)  
 Full Professor of Pathological Anatomy and Histology, University of Torino (1980-2010)  
 Emeritus Professor, University of Torino  
**Occupation or position held** Senior Researcher, National Babes Institute of Pathology, Bucarest  
**Main activities and responsibilities**

- Dean of the Specialistic Degree in Technical and Diagnostic Science, University of Turin
- Vice-Chairman of the Department of Biomedical Sciences and Human Oncology, University of Turin.
- Director of the Residence School of Anatomic Pathology, University of Turin.
- Chairman of the Laboratory of Pathological Anatomy III – Ospedale S. Giovanni Battista di Torino, Turin

**Name and address of employer** Dept. Biomedical Science and Human Oncology – University of Turin  
**Type of business or sector** Public University

### Education and training

**Dates** Graduate Medical Faculty, University of Torino (1956-1962), Magna cum laude  
**Title of qualification awarded**

- Professional Specialist in Workers' Medicine (1964), University of Torino
- Specialist in Laboratory and Morbid Anatomy (1968), University of Torino

Principal subjects/occupational skills covered

Prof. G. Bussolati is Full Professor of Pathological Anatomy and Histology, University of Torino and Dean of the Specialistic Degree in Technical and Diagnostic Science. He is Coordinator of Doctoral School in Biomedical Sciences and Human Oncology for the specialization in Advanced Techniques of Localisation of Human Tumours and Director of the Specialty School in Anatomic Pathology. He is Vice Director of the Department of Biomedical Sciences and Human Oncology and also Head of the Diagnostic Pathology Unit III of S. Giovanni Battista Hospital in Torino.  
He is a teacher for a Master course on the organization of Sanitary Proficiencies.  
He has authored several papers on immunohistochemistry and molecular biology techniques and is part of the editorial board of several scientific journals.  
He is responsible for several grants in quality control in diagnostic pathology:

Name and type of organisation providing education and training

University of Turin
